

Term Life Insurance from SBLI – Affordable Coverage for Your Employees

SBLI has made it easy for you to offer your employees simple, affordable term life insurance to protect and provide for their families.

Plus, our life insurance benefit can be integrated into the **BENEFITFOCUS Platform**, right along with your other supplemental benefits.

When you strengthen your benefits package with SBLI, your employees can get:

10-Year Level Term Life Insurance for Employees Age 18-65

- Coverage amounts from **\$25,000 to \$1,000,000**, depending on age and income.
- **Affordable premiums** stay the same for 10 years. Plus, at the end of the 10-year level period, the policy can be continued to age 85 at annually increasing rates.
- With our **online application**, employees can start and finish the process in minutes, at home, at their kids' soccer game, or just about anywhere. Plus, our **Simplified Issue** process means they get a decision on the spot, while they wait. No follow up needed.
- **Convenient payment methods**: payroll deduction, card, or bank draft.
- Policy is **individual and portable**, it follows your employees if they change jobs.

Life Insurance That Treats You Better

SBLI has protected over a million families with rock-solid financial strength since our founding. As a mutual company, we are owned by our policyholders and we always place our customers' needs first.

48%
of all U.S. households have
a life insurance gap.*

Help your employees get the
protection they need.
