

Living Legacy[®] Final Expense Insurance

Plan, Prepare, and Protect

Final expenses can be costly. On average, a funeral can cost \$10,000 or more¹, and other final expenses such as credit card payments, utility bills and hospital or doctor bills can add up quickly. Survivors could find themselves not only grieving but also left with debt.

It's never easy to think about what life would be like for your family after you're gone. But planning and preparing now can help your loved ones focus on the life you lived, and less on final expenses.

Living Legacy[®] Final Expense Insurance Can Help

Living Legacy[®] final expense insurance offers an easy way for you to help protect loved ones during a difficult time. It is designed to provide a valuable life insurance policy that pays cash directly to the person(s) you choose to handle your funeral costs and other debt that you may leave behind.
