Whole Life and OmniTrak Term Life Insurance Riders

Accelerated Death Benefit for Terminal Illness

offered automatically at no premium charge¹

- Allows the policyholder to receive a portion of the death benefit while the insured is still alive should the insured be diagnosed with a terminal illness that will result in death within 12 months.
- Pays up to 50% of the base policy's total death benefit up to \$250,000.
- Available at no premium charge on the issue date of the base policy; there is a fee only at the time of exercise.

Accidental Death Benefit

- This rider is optional and available at an additional cost. Pays up to two times the base policy's death benefit, up to a maximum of \$250,000, if the insured dies before age 70 and within 180 days of an accidental body injury, per a physician's statement.
- Available for insured persons between ages 0-65 at issue. For insured persons up to 17 years old at issue, the maximum amount of the rider is two times the base policy's death benefit, up to a maximum of \$100,000.

Children's Level Term

- This rider is optional and available at an additional cost. Provides up to \$25,000 of term coverage at one low cost for all natural or legally adopted unmarried, financially dependent children, who are at least 15 days and less than 23 years old at the time of issue.
- Coverage on each child expires when certain events occur, such as reaching age 25, the primary insured turning 65 years old or premiums not paid when due.
- Convertible to a permanent SBLI life insurance policy for up to five times the rider's face amount, when the child turns 25 or when the primary insured turns 65.²

Waiver of Premium

- This rider is optional and available at an additional cost. Waives premiums if the insured becomes totally disabled for at least six months during his/her lifetime.
- To purchase the rider, the insured must be between 15-55 years old for whole life insurance and 18-55 years old for term insurance; the rider terminates at age 65.
- Rider can only apply to eligible coverages up to a total face amount of \$3,000,000 (includes all eligible SBLI policies and riders). Existing waiver of premium may accompany a term conversion; certain restrictions apply.

Whole Life Riders

Guaranteed Level Premium Term

- This rider is optional and available at an additional cost. Provides an inexpensive additional death benefit coverage for the insured by adding term life insurance coverage to a whole life insurance policy for 10, 15, 20, 25 or 30 years.
- Only term riders with a level premium period less than or equal to that of the base policy are permitted. For Whole Life Paid-up at age 65 policies, only a 10-year term rider may be purchased.

Guaranteed Purchase Option³

- This rider is optional and available at an additional cost. Allows insureds, aged 50 or younger, to buy more coverage at specified ages or life events, such as marriage or the birth of a child, with no medical exams or health questions.
- Provides up to six options to purchase individual permanent life insurance policies, even if the insured's health has changed since the base policy was issued.

Single-pay Paid-up Additions Rider

- This rider is optional and available at an additional cost. Enables the insured to make a single additional cash deposit at the time of policy issue to increase the death benefit and enhance the cash value.
- Paid-up additions are eligible for dividends.
- The insured must be no older than 70 years of age. The rider's minimum face amount is \$5,000, and the maximum face amount is \$500,000, with the total face amount not to exceed the base policy's maximum amount; this rider is not available on term conversions.

Three simple steps

1

With your agent's guidance, first determine how much life insurance you need, how many years you will need it, how much you can spend and the type of policy that best meets your goals.

2

Your agent can explain the array of SBLI life insurance riders; please carefully weigh your options.

3

Rely on your agent to customize your life insurance policy to your family's unique circumstances.

¹This rider offers a one-time election if a verified physician's statement indicates the insured has a terminal illness which will result in death within 12 months. Premiums and gross cash values will not change as a result of the rider's acceleration. The death benefit is reduced by the amount accelerated plus accumulated interest. ²Otherwise, the policy can be converted at one time the rider's face amount at any time. ³Available for purchase at policy issue only and option ages vary based on age at purchase. Policyholder generally has the option to purchase additional coverage every three policy years until options run out. Alternate option dates triggered by key life events must be exercised within 90 days of these events. Only one option may be exercised per policy year and the rider terminates if the Accelerated Death Benefit for terminal illness rider is exercised. For a full explanation of terms and exclusions, please refer to the policy and rider forms.
